Information and support
for displaced and refugee students

CIVICA for All

The primary aim of "Civica for All" is to create a **safe and inclusive space** for all members, with a particular focus on displaced and refugee students.

It provides up-to-date information on scholarships, job opportunities, workshops, events, free language learning resources, and NGOs in the countries where CIVICA partner universities are situated.

Interested to join the "CIVICA for All" group?

1. Scan the QR code
2. Register through the online form
