

The department of
Environmental Sciences and Policy
cordially invites you to
Agroecology nights
Event-series

Date and time: Wednesday, January 16, at 17.30 - 20.00

Venue: Nádor utca 11, Room 004

'Seed is the source of life and the first link in the food chain. Control over seed means a control over our lives, our food and our freedom.'

Global movement on Seed Freedom <http://www.navdanya.org>

Join us in the Agroecology Nights event-series on Seed Sovereignty and get inspired by the discussions with guest speakers active in alternative agricultural systems as farmers, consumers' associations, researchers, academics, and civil society organizations.

Agroecology nights is co-organised by [Védegylet](#) and the Dept. of Environmental Sciences and Policy at CEU and it features 4 events from November to March.
