

# CRYPTOPARTY

## What is a CryptoParty?

CryptoParty is a decentralized movement with events happening all over the world. The goal is to pass on knowledge about **protecting yourself in the digital space**. This can include encrypted communication, preventing being tracked while browsing the web, as well as general security advice.

CryptoParties are **free** and **open** to everyone, especially newcomers, beginners, and the curious.

**October 2, 5.30 PM | N15, 106**  
'How-to-Cryptoparty?' workshop

**October 3, 5.30 PM | N15, 102** 'Train-the-Trainer'  
**October 4, 5.30 PM | N15, 106** workshops

**October 6, 7 PM | Ankert, Paulay Ede utca 33**  
CryptoParty
