

You are cordially invited to the

# Comparative Populist Project Workshop

## Date and Time

Monday, December 4

**9.45 - 17:30**

**Popper Room #102, Nador 9**

The event is affiliated with the:

**CEU Populism Research Group** is a platform bringing together scholars and students working on populism or topics related to populism.

**Team Populism** brings together renowned scholars from Europe and the Americas to study the causes and consequences of populism. We seek to answer why some populist parties, leaders or movements are more successful than others.
