

CAREER EVENT

The World Bank Group will be guests of the CEU Career Services Office (CSO) at a career event focused on early career opportunities including internships, the Junior Professional Associates (JPA) program and the newly integrated Young Professionals Program (WBG YPP), now representing the World Bank, IFC and MIGA. The event will be followed by a Q&A.

Attend this event to learn about how to become eligible and apply. Highly motivated graduate students and alumni from various fields of study relevant to international development/finance are strongly encouraged to attend.

The World Bank Group (WBG) is one of the world’s largest sources of funding and knowledge for developing countries. WBG staff work with governments, civil society groups, the private sector and others in developing countries around the world, in all areas of international development, from policy and strategic advice to the identification, preparation, appraisal and supervision of development projects.
